concept **inc.**

creative concepts. *great results.*

Making beautiful things and transforming our client's business into a digital showpiece is what we aim to achieve each day.

Hi, my name is Veronica, but you can call me Ronnie. I am a hands on creative with over 16 years of experience in the marketing space and head of Concept Inc. Graphic and Website Design.

As your creative partner our goal is to make sure all our designs have a unique personal touch, and we have no doubt that Concept Inc. will be your first choice.

**YOUR
CREATIVE
PARTNER**

OUR STORY.

We are small but we are mighty. Concept Inc. is a website design, creative content and digital marketing company based in Johannesburg. With a team of talented people collaborating to create beautiful things our aim is to be a catalyst to your business and make you smile.

Through years of experience and consistently moving with trends, latest technological and design developments, we have stayed at the top of our game. Being a freelance graphic and website design team, we have worked every kind of person you can imagine, from inspirations to trolls. We did this with flare making our experience tangible.

OUR VALUES

WHAT MAKES US **DIFFERENT?**

Concept Inc. wants your business to catch the eye. Our designs will shape your business brand and website into something remarkable, leaving you knowing you have found your lifelong design partner.

SO WHY CONCEPT INC.?

- ✔ **AMAZING DESIGN** - With hard work, talent and experience we have mastered the art of creating beautiful things.
- ✔ **LOADS OF SERVICES** - The sky is your limit. From brand conceptualisation to graphic elements, through to production, we can design captivating work to fit your style without you having to sell a kidney.
- ✔ **PERSONAL TOUCH** - You matter and so does your time. So, no middleman to deal with. You will have the undivided attention of your dedicated designer.
- ✔ **COMMUNICATION IS KEY** - I know, cheesy right! Well, we are going to pile on that cheese. We will keep you updated on your project and timelines every step of the way.
- ✔ **DESIGN IS MONEY AND SO IS TIME** - We are committed to getting things done on time and with pizzaz.
